Certificate of Inspection

LAKE QUEEN

Certification Date:
19Feb2013

The minimum number of child-size life preservers required is sixteen (16). When more than sixteen (16) children or persons weighing less than ninety (90) pounds or 57 inches in height are carried, additional child-size life preservers shall be carried so that the vessel has an approved life preserver suitable for each person on board.

The bow landing stage shall be maintained in a ready condition, while underway, for use as a rescue platform.
